This canal marvel was meticulously crafted in 2021 with a hull boasting a robust 12:10:6 thickness, ensuring durability and reliability on every voyage. Powering this vessel is the mighty Canal Line 70HP Turbo engine, meticulously serviced after a mere 50 hours in 2021.

Comfortably accommodating four guests, Capt Cook offers a haven of relaxation with a master bedroom, a cosy bedroom/boatman's cabin, and an inviting galley-saloon space. The bathroom, equipped with a large shower, pump-out toilet, and granite countertops, exudes luxury.

Dive into culinary delights in the galley, furnished with top-notch amenities including a Belling oven and grill, four-burner hob, dishwasher, and wine cooler. The lounge boasts anthracite radiators, a multi-fuel stove, and entertainment features like a TV under gunnel stand and a Self-seeker Freesat 4G hub.

With practicality in mind, this Euro cruiser incorporates features like a bow thruster, side hatches, and a galvanic isolator for seamless manoeuvrability and safety. Stay comfortable in any weather with Morso Swift cabin heating and a Webasto thermopro 90KW central heating system.

Capt Cook is not just a vessel; it's a floating home. The master bedroom offers integrated TV, ample storage, and a dressing table, while the boatman's cabin features a desk and double bed. The bathroom is a sanctuary with a large shower, granite worktops, and a stylish vanity unit.

Practicalities are covered with a 725-liter water tank, 530-liter fuel tank, and a 250-liter pump-out capacity. The two 13KG propane gas cylinders ensure a steady energy supply for the microwave, oven, and heating systems.

Additional perks include double-glazed windows, wooden shutters, and a new 05/21 Two Pac Epoxy blacking for optimal hull protection. Uncover the charm of Capt Cook—your exclusive gateway to a life of elegance and adventure. Furniture and Freesat boxes (2) excluded from the sale.
