Description

Step into New Freedom and experience a thoughtfully designed layout that maximizes comfort and functionality. The master bedroom, tucked away at the stern, serves as a private sanctuary with a cosy double bed, a spacious wardrobe, and cleverly integrated storage cupboards. Natural light filters in through its windows, creating a warm and inviting space to unwind after a day of cruising. A private door leads directly to the stern, offering convenient outdoor access and a connection to the surrounding waters.

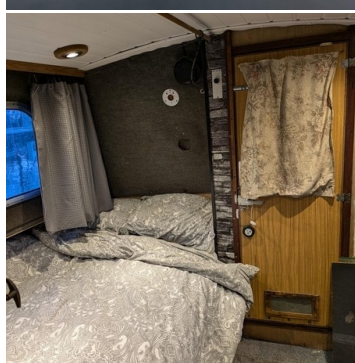

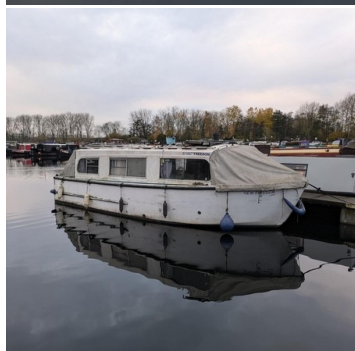

The galley is a compact yet efficient space, perfect for preparing meals or enjoying a quick snack. With a gas oven, a two-ring hob, and a sink with storage below, every detail has been designed with practicality in mind. A 12v shoreline fridge with an icebox ensures that your essentials stay fresh, whether you're whipping up a quick breakfast or an elaborate dinner. Its functional design makes cooking aboard a pleasure.

At the centre of New Freedom lies the saloon, a welcoming space for relaxation and social gatherings. The L-shaped fixed sofa invites you to sink in and enjoy the view through the surrounding windows, while the clip-on table transforms the area into a dining or workspace. The helm station is conveniently positioned here, ensuring the captain remains part of the conversation while navigating. This space combines comfort with functionality, making it the perfect spot to unwind or entertain.

Built with Hampton Safari's renowned quality, New Freedom offers a harmonious blend of classic design and modern updates. Its 1.5 BMC Bowman engine ensures reliable performance, while the Autoterm diesel heating system, expertly installed by Sub Zero, provides warmth and comfort during colder months. These features make it equally suited for year-round cruising or as a full-time liveaboard.

While New Freedom is ready for its next chapter, it offers ample opportunity for customisation. Whether you envision enhancing its retro charm or modernising its interior, this cruiser is a blank canvas awaiting your personal touch. With its solid foundation and spacious layout, New Freedom promises to become a unique floating haven tailored to your style.

Discover New Freedom—a boat with character, comfort, and countless possibilities.
