LAKELAND LEISURE ESTATES

Description

Utterly Rudderly is a well-maintained 52ft semi-traditional narrowboat, originally built as a Black Prince hire boat. Designed for durability and comfort, she has been meticulously cared for with regular maintenance, making her a fantastic option for both liveaboard and leisure cruising. Clean and tidy throughout, she offers excellent value at a great price.

Featuring a reverse layout, Utterly Rudderly is designed for practicality and comfort. The galley is well-equipped with a stainless-steel sink and taps, a freestanding oven with four gas burners, a fridge with an icebox, and space and plumbing for a washing machine. A 3kW inverter ensures reliable power for all essential appliances. There is ample worktop space and generous storage, including three wall-mounted units.

In the bedroom, you will find a fixed double bed with the option to extend to a king-size mattress. A large wardrobe with multiple shelves ensures plenty of storage space.

The bathroom is clean and well-maintained, featuring a walk-in shower, a washbasin with storage underneath, and a pump-out toilet.

The dinette provides a welcoming seating and dining area with under-seat storage. It easily converts into an additional double bed, offering extra accommodation when needed.

The saloon offers a cosy and functional living area, complete with a comfortable sofa that converts into a double bed, a TV point, a satellite control panel and a Wi-Fi station (SIM required). Power sockets are conveniently located throughout, and there is direct access to the well deck.

Utterly Rudderly is a fantastic opportunity to own a well-built and thoughtfully maintained narrowboat, ideal for those looking for a comfortable and affordable liveaboard or holiday home on the water. Enquire now for more details or to arrange a viewing.
