The galley on Yorkshire Day offers a well-equipped space to prepare meals during your travels. A composite sink and drainer, a versatile 12V/240V fridge, and a 4-burner gas hob make cooking a breeze. For added convenience, the integrated oven and separate grill are ideal for everything from quick snacks to more elaborate dishes. Tiled worktops add a touch of elegance while providing durability, and ample cupboard storage ensures all your kitchen essentials are within easy reach.

Unwind in the inviting lounge, featuring a comfortable L-shaped upholstered sofa that doubles as a dinette when paired with the oval table and desmo legs. This area is perfect for relaxing after a day on the water or enjoying a cosy meal. Leaded glazed stable doors open onto a spacious well deck, letting in natural light and fresh air while creating an ideal spot to admire the view. With ample storage throughout, you'll find plenty of space for books, games, and other necessities.

The bedroom offers a peaceful retreat with a full-sized double bed and a brand-new mattress for maximum comfort. Practicality meets style with a wardrobe and both high- and low-level storage cupboards, ensuring your belongings are neatly tucked away. Whether you're embarking on a short getaway or a longer cruise, this cosy space provides a perfect place to recharge.

The bathroom aboard Yorkshire Day is compact yet efficient, featuring a shower, a ceramic wash basin over a vanity unit, and a Thetford Porta Pottie 565 cassette toilet (in pristine, as-new condition). This clean and well-maintained space offers all the amenities you need for life on the water.
